Memorandum

TO: Citizens Steering Committee for Community Plan update

FROM: Michael Raber, Senior Planner
Department of Community Development

MEETING DATE: May1, 2012

SUBJECT: May 1, 2012 Steering Committee agenda.

Attached is the agenda for our meeting on May 1, 2012 at 3:00 p.m. in the Community Plan Room in the Vista Del Norte building.

Agenda item #5 provides for a presentation by the planning working team. The original working team was divided into four planning teams in mid-February. Since that time, these teams have been working on planning concepts for different areas within the community. These planning ideas will be used to illustrate the different Plan alternatives that will be developed over the next several months. Each team will present 2-4 planning concepts. In order to hear from all the teams and provide time for questions and discussion, the meeting is expected to run past 5:30. Teams with Planning and Zoning Commission members will go first so they have time to get back to City Hall for their own commission meeting at 5:30.
